Knight-Errant

Tim Buckley

O whither has my lady wandered?
I'll search until I know I've found herOne green day she left her wings
And cut away her childhood strings
But dropping smiles along the trail
She left a trace I will not failO whither has my lady wandered?
I'll search until I know I've found herWhen I catch my sudden maid
I'll deck her out in lace and jade
I will take her to her room
I will take her to her roomI love her upstairs, I love her downstairs
But I love my lady's chamberO whither has my lady wandered?
I'll search until I know I've found her
