

Bang Bang Bang

Selena Gomez & the Scene

My new boy used to be a model, he looks way better than you
He looks way better than you
My new boy, gets it how to get me
His love is deeper, you know, he's a real keeper, you know Bang, bang, bang, I'm breaking in
Stealing all my love back, giving it to him
Bang, bang, bang, this time I win
I thought your love was all that till I let him in You're gonna be the one
You're gonna be the one
You're gonna be the one
You're gonna be the one that's moping You're gonna be the one
You're gonna be the one
When I'm out having fun
You're gonna be the one that's broken My new boy knows the way I want it,
He's got more swagger than you he's got more swagger than you do
My new boy really likes to flaunt this
He's not hiding me you know, he's showing me off you know Bang, bang, bang, I'm breaking in
Stealing all my love back, giving it to him
Bang, bang, bang, this time I win
I thought your love was all that till I let him in You're gonna be the one
You're gonna be the one
You're gonna be the one
You're gonna be the one that's moping You're gonna be the one
You're gonna be the one
When I'm out having fun
You're gonna be the one that's broken I hope you slip and fall and trip all over my heart
And just lay there alone, yeah, you got what you wanted
On your hands and knees, grasping for air, grasping for me
Baby don't hold your breath, I've moved on to the next Bang, bang, bang, I'm breaking in
Stealing all my love back, giving it to him
Bang, bang, bang, this time I win
I thought your love was all that till I let him in You're gonna be the one
You're gonna be the one
You're gonna be the one
You're gonna be the one that's moping You're gonna be the one
You're gonna be the one
When I'm done having fun
You're gonna be the one that's broken Bang, bang, bang, I'm breaking in
Stealing all my love back, giving it to him
Bang, bang, bang, this time I win

I thought your love was all that till I let him in
