

# Stars on the Water

Rodney Crowell

Down in Louisiana, bayous by and by  
Pirogue pole or your natural soul  
Keeps you tied to a tree high tide  
Beer joint lights come on  
And then the crowd starts rollin' inChorus:  
Pretty soon you got stars on the water  
You got stars on the water  
It's like stars on the water, let it rainBeaumont to Biloxi  
Sea breeze at your door  
Gypsy rains, dang hurricanes  
White silver sandy shore  
"Blue Light" lounge is shinin'  
Way out on the viewChorus:  
It looks just like stars on the water  
Just like stars on the water  
Just like stars on the water, let it rain(guitar instrumental)When it's midnight down in Mobile  
Moonbeams on the bay  
They come from miles around to dance the jukebox down  
And dig the good time sounds they play  
All across the harbour  
Night lights shinin' inChorus:  
It looks just like stars on the water  
Just like stars on the water  
Just like stars on the water, let it rainChorus:  
Pretty soon ya got stars on the water  
You got stars on the water  
It's like stars on the water, let it rain
