

# Just a Kiss

## School Gyrls

(It's just a kiss)(2x)

Boy your steppin in  
The danger zone  
If you keep it up  
Your gunna be on your own

We got rules

So you better check  
Check yourself  
Before you  
Blow it all

So help me now  
Figure out  
Why your really here

(Chorus)

And all the girls say ay-ay ay-ay  
Back off boys cuz you know we're just playin  
And all the girls know oh-oh oh-oh  
How to have fun

And your getting  
In the way so  
Get back get back get back get back

It's just a kiss I'm more than that

And all the girls say ay-ay ay-ay  
Don't you wish don't you wish  
But it was just a kiss

You thin you know  
But your not in the girls room  
Actin like a fool  
But it's all in the attitude

It's like a dance that we do

When we first talk some dirt  
Now you really know  
It's just a kiss

(Chorus)

But it was just a muaha
