

Trap Door (2006 Remastered)

T Bone Burnett

It's a funny thing about humility
As soon as you know you're being humble
You're no longer humble
It's a funny thing about life
You've got to give up your life to be alive You've got to suffer to know compassion
You can't want nothing if you want satisfaction Tonight the world looks like a different place
Tonight the moon is turning in its place
Tonight we find ourselves alone at last
Watch out for the trap door
Watch out for the trap door It's a funny thing about love
The harder you try to be loved
The less lovable you are
It's a funny thing about pride
When you're being proud
You should be ashamed You find only pain if you seek after pleasure
You work like a slave if you seek out the leisure Tonight the world looks like a different place
Tonight the moon is shining on your face
Tonight we find ourselves alone at last
Watch out for the trap door
Watch out for the trap door Watch out for the trap door
Watch out for the trap door
Watch out for the trap door
Watch out for the trap door
