

# Crawling in the Dark (acoustic)

## Hoobastank

I will dedicate and sacrifice my every-thing  
For just a seconds worth of how my story's ending  
And I wish I could know if the directions that I take  
And all the choices that I make won't end up all for nothing

[Chorus]

Show me what it's for  
Make me understand it  
I've been crawling in the dark  
Looking for the answer  
Is there something more  
Than what I've been handed?  
I've been crawling in the dark  
Looking for the answer

Help me carry on  
Assure me it's ok to  
Use my heart and not my eyes  
To navigate the darkness  
Will the ending be  
Ever coming suddenly?  
Will I ever get to see  
The ending to my story?

[Chorus]

So when and how will I know?

How much further do I have to go? (have to go)  
And how much longer until I finally know? (finally know)  
Cause I am looking and I just can't see what's in front of me  
In front of me

[Chorus]
