In Passing

Company Of Thieves

One time
We were
In passing
I watched
The future
Swirling 'round, around my head
And this is how it wentYou and I both alone sat
Waiting in lines too long to comprehend
We both sat waiting in lines
For the rest of our livesYou-whooo-ooooohForever and after we went on foreverOne time
You were
Inhaling
I saw
The smoke went
Whirling 'round your heedless head
You bore me to my deathYou and I both alone sat
Waiting in lines too long to comprehend
We both sat waiting in lines
For the rest of our livesYou-whooo-ooooohForever and after we went on foreverI prefer to sleep alone
I prefer to stay right here
Don't come searching
I prefer the windows up
I prefer the fresher air
And for the recordYou-whooo-ooooohForever and after we went on forever
And after we went on forever
And after we went on forever
