

# In Passing

## Company Of Thieves

One time  
We were  
In passing  
I watched  
The future  
Swirling 'round, around my head  
And this is how it went You and I both alone sat  
Waiting in lines too long to comprehend  
We both sat waiting in lines  
For the rest of our lives You-whooo-ooooh Forever and after we went on forever One time  
You were  
Inhaling  
I saw  
The smoke went  
Whirling 'round your heedless head  
You bore me to my death You and I both alone sat  
Waiting in lines too long to comprehend  
We both sat waiting in lines  
For the rest of our lives You-whooo-ooooh Forever and after we went on forever I prefer to sleep alone  
I prefer to stay right here  
Don't come searching  
I prefer the windows up  
I prefer the fresher air  
And for the record You-whooo-ooooh Forever and after we went on forever  
And after we went on forever  
And after we went on forever
