## Chicago

(A Musical conversation between Terry Kath and Peter Cetera)

(Terry)

Are ya optimistic  
For the way that things are going

(Peter)

No I never ever think of it at all

(Terry)

Don't you ever worry  
When you see what's going down

(Peter)

Well I try to mind my business  
That is no business at all

(Terry)

When it's time to function, as a feeling human being  
Will your Bachelor of Arts help you get by

(Peter)

I hope to study further, a few more years or so  
I also hope to keep a steady high OH yea yea yea

(Terry)

Will ya try to change things with the power that ya have  
With the power of a million new ideas

(Peter)

But is this power you speak of has the need for things to change  
I always thought that everything was fine, everything is fine

(Terry)

Don't ya feel repression  
That's just closing in around

(Peter)

No, the campus here is very, very free

(Terry)

Don't it make ya angry  
The way war is dragging on

(Peter)

Well I hope the President knows what he's into, I don't know  
Oh, I just don't know

(Terry)

Don't ya see starvation in the city where you live  
All your neighbors hunger, all your neighbors fears

(Peter)

Oh, I haven't been there lately, the country is so fine  
My neighbors don't seem hungry cause they haven't got the time, haven't got the time

(Terry)

Thank you for the talk you know  
You really eased my mind  
I was troubled 'bout the shapes of things to come

(Peter)

Well if you had my outlook, your feelings would be numb  
Always think that everything was fine  
Everything was fine

(Part II Terry and Peter with Band Backing vocals)
