

I'll Stand By You

Rod Stewart

Oh, why you look so sad? The tears are in your eyes
Come on and come to me now
But don't be ashamed to cry, let me see you through
'Cause I've seen the dark side too
And when the night falls on you
And you don't know what to do
Nothing you confess
Could make me love you less
I'll stand by you, I'll stand by you
Won't let nobody hurt you, I'll stand by you
So if you're mad get mad, don't hold it all inside
Come on and talk to me now
And hey, what you got to hide? I get angry too
Well, I'm a lot like you
When you're standing at the crossroads
But don't know which path to choose
Let me come along
'Cause even if you're wrong
I'll stand by you, I'll stand by you
Won't let nobody hurt you, I'll stand by you
Take me into your darkest hour
And I'll never desert you, I'll stand by you, hey
And when, when the night falls on you, baby
You're feeling all alone, you won't be on your own
I'll stand by you, I'll stand by you
Won't let nobody hurt you, I'll stand by you
Take me into your darkest hour
And I'll never desert you
I'll stand by you, I'll stand by you
Won't let nobody hurt you, I'll stand by you
I'll stand by you, I'll stand by you
Won't let nobody hurt you, baby
I'll stand by you, I'll stand by you
Won't let nobody hurt you, baby
I'll stand by you, I'll stand by you
Won't let nobody hurt you, baby
I'll stand by you, I'll stand by you
