Want U Bad

Ke$ha

Yeah. Yeah. Haha. It's Travis.
What up!
Bum bum bum bum bum bum bum
Bum bum bum bum (Here we go) bum bum bum bum BUM.
LETS GO.

[Ke$ha]
I love the crazy things you do
'Cause tonight's the night for me to play the fool.
And the mood is right, plus you're so polite.

[Travis McCoy]
(But you know that I really want ya, girl you know that I really want ya.)

I'm sittin' here thinkin' about way to confront you
They dreaming how its gon' feel when I touch ya
Mmm
Girl you know I really want ya (yup)
You know how bad I really want ya (yum)
But make it easy on me (dam)
Take is easy on me (c'mon)
I'm fragile from girls in the past that never did nothin'
But frontin' that crazy on me
But I can tell that you different
Swagger brand new like an infant
Don't lie don't act like you aint turned on
To be honest with you I'm kinda offended
See I understand the policy
The least you can do is acknowledge me
You're harder to read than Japanese
The look on your face is just screaming don't bother me

[Ke$ha]
I love the crazy things you do
'Cause tonight's the night for me to play the fool.
And the mood is right, plus you're so polite.
(But you know that I really want ya, girl you know that I really want ya.)

I really really really really want you bad
You're lips start a smile that ain't never sad

You're a bad bad boy
I ain't never mad at you, at you boy.

[Travis McCoy]
Give me some sort of sign
To say (to say) why to be sure that you're mine (shh)
Now before you start lyin'
Just ask yourself am I really that fine? (What)
I happen to think that you are
In fact I convinced you're an angel
That's something that fell from the sky
You fly but I don't get your angle
Now we can stay here pretend you're non existent
But it's so obvious your dying inside to be my princess
Look at you know, you smilin'
But earlier you was willin'
Like I wouldn't fuck with that dude even if he was
Stuck on a deserted island

[Ke$ha]
I love the crazy things you do
'Cause tonight's the night for me to play the fool.
And the mood is right, plus you're so polite.
(But you know that I really want ya, girl you know that I really want ya.)

I really really really really want you bad
You're lips start a smile that ain't never sad
You're a bad bad boy
I ain't never mad at you, at you boy.
I love the crazy things you do
Do something 'oh so' not so cool.
Tonight I'm gonna play the fool
So what? I wanna get with you.

I love the crazy things you do
'Cause tonight's the night for me to play the fool.
And the mood is right, plus you're so polite.
(But you know that I really want ya, girl you know that I really want ya.)

I really really really really want you bad
You're lips start a smile that ain't never sad
You're a bad bad boy
I ain't never mad at you, at you boy.
[Travis McCoy]
(But you know that I really want ya, girl you know that I really want ya.)
