

Papercut (Live from Paris, 2010)

LINKIN PARK

Why does it feel like night today?
Something in the air's not right today
Why am I so uptight today?
Paranoia's all I got left
I don't know what stressed me first
Or how the pressure was fed
But I know just what it feels like
To have a voice in the back of my head
Like a face that I hold inside
A face that awakes when I close my eyes
A face watches every time I lie
A face that laughs every time I fall
(It watches everything)
So I know now when it's time to sink or swim
That the face inside is hearing me
Right beneath my skin It's like I'm paranoid lookin' over my back
It's like a whirlwind inside of my head
It's like I can't stop what I'm hearing within
It's like the face inside is right beneath my skin I know I've got a face in me
Points out all my mistakes to me
You've got a face on the inside too
Your paranoia's probably worse
I don't know what set me off first but I know what I can't stand
Everybody acts like the fact of the matter is
I can't add up to what you can but
Everybody has a face that they hold inside
A face that awakes when I close my eyes
A face that watches every time they lie
A face that laughs every time they fall
(It watches everything)
So you know that when it's time to sink or swim
That the face inside is watching you too
Right inside your skin It's like I'm paranoid lookin' over my back
It's like a whirlwind inside of my head
It's like I can't stop what I'm hearing within
It's like the face inside is right beneath my skin
It's like I'm paranoid lookin' over my back
It's like a whirlwind inside of my head
It's like I can't stop what I'm hearing within

It's like the face inside is right beneath my skinThe face inside is right beneath your skin

The face inside is right beneath your skin

The face inside is right beneath your skinThe sun goes down

I feel the light betray me

The sun goes down

I feel the light betray meIt's like I'm paranoid lookin' over my back

It's like a whirlwind inside of my head

It's like I can't stop what I'm hearing within

It's like the face inside is right beneath my skin

It's like I'm paranoid lookin' over my back

It's like a whirlwind inside of my head

It's like I can't stop what I'm hearing within

It's like I can't stop what I'm hearing within

It's like I can't stop what I'm hearing within

It's like the face inside is right beneath my skin
