

# Landslide (Live in Boston)

## Fleetwood Mac

I took my love, I took it down  
I climbed a mountain and I turned around  
And I saw my reflection in the snow covered hills  
'Til the landslide brought me down Oh, mirror in the sky  
What is love?

Can the child within my heart rise above?  
Can I sail through the changin' ocean tides?

Can I handle the seasons of my life?

Well, I've been afraid of changin'

'Cause I've built my life around you

But time makes you bolder

Even children get older

And I'm getting older too Well, I've been afraid of changin'

'Cause I've built my life around you

But time makes you bolder

Even children get older

And I'm getting older too

Oh! I'm getting older too

Oh-oh, take my love, take it down

Oh-oh, climb a mountain and you turn around

And if you see my reflection in the snow covered hills

Well the landslide bring it down

And if you see my reflection in the snow covered hills

Well the landslide bring it down

The landslide bring it down
