Star Studded Sham

hello

I see it in your eyes that I've been played right out
I see through your disguise I see what about
Why don't you come right out and say
That you'll be leaving any dayTake it from me I don't have to buy my love
I can get it free why don't you try my love
If you could stand inside my shoes
Then you would see what I stand to lose.Why do you here to pretend
When deep inside you know it's the end.

Come take my love don't make me wait.
