

# Prom Queen (feat. Shanell aka SNL)

## Lil' Wayne

I loved her fancy underwear  
I sit behind her every year  
Waiting for the chance to get  
To tell her I'm the one she should be with  
She's popular with all the guys  
So innocent in my eye  
I could see her in my life  
She would've had the perfect sweet man  
But  
See she had other plans  
I could not understand  
Her and her stupid friends  
Varsity's biggest fans Never forget the day  
She laughed and walked away  
And I couldn't stop her  
I guess she had it all  
She had it all figured out  
But she left me with a broken heart  
Fucked around and turned me down  
Cause she didn't think I could play the part  
But now the prom queen the prom queen  
Is crying sittin' outside of my door  
See you never know how  
How everything could turn around They loved her fancy underwear  
Every boyfriend every year  
She tried to keep 'em entertained  
When they can hardly remember her name  
She did everything she could just to  
To make him love and treat her good  
She found herself alone  
Askin' herself where did she go wrong  
She didn't realize  
She chased the type of guys  
That don't believe in ties  
Tryin' to apologize Never forget the day  
She laughed and walked away  
And I couldn't stop her  
I guess she had it all  
She had it all figured out

But she left me with a broken heart  
Fucked around and turned me down  
Cause she didn't think I could play the part  
But now the prom queen the prom queen  
Is crying sittin' outside of my door  
See you never know how  
How everything could turn around  
Get up! She had it all figured out  
But she left me with a broken heart  
Fucked around and turned me down  
Cause she didn't think I could play the part  
But now the prom queen the prom queen  
Is crying sitting outside of my door  
See you never know how  
How everything could turn around
