

# The Way Young Lovers Do

[Van Morrison](#)

We strolled through fields all wet with rain  
And back along the lane again  
There in the sunshine  
In the sweet summertime  
The way that young lovers do I kissed you on the lips once more  
And we said goodbye at your front door  
In the night-time  
Yeah, that's the right time  
To feel the way that young lovers do Then we sat on our own star and dreamed of the way that we were  
And the way that we wanted to be  
Then we sat on our own star and dreamed of the way that I was for you  
And you were for me  
And then we danced the night away  
And turning to each other, say, 'I love you, I love you'  
The way that young lovers do Do, do, do, do... Then we sat on our own star and dreamed of the way that we were  
and the way  
That we wanted to be  
Then we sat on our own star and dreamed of the way that I was for you  
And you were for me  
Ah, we long to dance the night away  
And turning to each other, say, 'I love you. Baby, I love you'  
The way that young lovers do, lovers do, lovers do Do, do, do, do...
