

# Me Against The World

## Papa J. Ruiz

It's just me against the world  
It's just me against the world baby  
I've got nothing to lose, it's just me against the world  
Stuck in the game, me against the world baby  
Can you picture my prophecy? Stress in the city, the cops is hot for me  
The projects is full of bullets, the bodies is dropping  
There ain't no stopping me, constantly moving while making millions  
Witnessing killings, leaving dead bodies in abandoned buildings  
Carries to children 'cause they're illing  
Addicted to killing and the appeal from the cap peeling  
Without feeling but will they last or be blasted?  
Hard headed bastard, maybe he'll listen in his casket, the aftermath  
More bodies being buried, I'm losing my homies in a hurry  
They're relocating to the cemetery  
Got me worried, stressing, my vision's blurried  
The question is will I live? No one in the world loves me  
I'm headed for danger, don't trust strangers  
Put one in the chamber whenever I'm feeling this anger  
Don't wanna make excuses 'cause this is how it is  
What's the use unless we're shooting no one notices the youth  
It's just me against the world baby  
Me against the world, it's just me against the world  
It's just me against the world, me against the world  
'Cause it's just me against the world baby  
Me against the world, I've got nothing to lose  
It's just me against the world baby, I've got nothing to lose  
Could somebody help me? I'm out here all by myself  
See ladies in stores, Baby Capone's, living wealthy  
Pictures of my birth on this Earth is what I'm dreaming  
Seeing Daddy's semen, full of crooked demons, already crazy  
And screaming I guess them nightmares as a child  
Had me scared but left me prepared for a while  
Is there another route? For a crooked Outlaw  
Veteran, a villain, a young thug, who one day shall fall  
Everyday there's mo' death and plus I'm dough-less  
I'm seeing mo' reasons for me to proceed with thieving  
Scheme on the scheming and leave they peeps grieving  
'Cause ain't no bucks to stack up, my nuts is backed up  
I'm 'bout to act up, go load the Mac up, now watch me klacka

Tried making fat cuts but yo it ain't working  
And Evil's lurking, I can see him smirking when I gets to perving  
So what? Go put some work in and make my mail, making sales  
Risking 25 with a 'L' but, oh well  
Me against the world with nothing to lose  
It's just me against the world, it's just me against the world baby  
Me against the world, I've got nothing to lose  
It's just me against the world, it's just me against the world baby  
With nothing to lose, it's just me against the world baby  
Me against the world, me against the world  
I've got nothing to lose, it's just me against the world baby  
With all this extra stressing  
The question I wonder is after death, after my last breath  
When will I finally get to rest? Through this suppression  
They punish the people that's asking questions  
And those that possess, steal from the ones without possessions  
The message I stress to make it stop study your lessons  
Don't settle for less even the genius asks questions  
Be grateful for blessings, don't ever change, keep your essence  
The power is in the people and politics we address  
Always do your best, don't let the pressure make you panic  
And when you get stranded and things don't go the way you planned it  
Dreaming of riches, in a position of making a difference  
Politicians and hypocrites, they don't wanna listen  
If I'm insane, it's the fame made a brother change  
It wasn't nothing like the game  
It's just me against the world  
Me against the world, nothing to lose  
It's just me against the world baby, me against the world  
Got me stuck in the game, it's just me against the world  
I'd be ashamed to lose, it's just me against the world baby  
Me against the world  
That's right, I know it seem hard sometimes but uh  
Remember one thing, through every dark night  
There's a bright day after that  
So no matter how hard it get, stick your chest out  
Keep your head up and handle it  
Me against the world  
Me against the world  
Me against the world
