Björk

Genius to fall asleep
To your tape last night
(So warm)
Sounds go through the muscles
These abstract wordless movements
They start off cells that
Haven't been touched before
These cells are virgins
(Waking up slowly)My headphones
They saved my life
Your tape
It lulled me to sleep
To sleep, to sleepNothing will be the same
(I'm fast asleep)
I like this resonance
It elevates me
I don't recognize myself
This is very interestingMy headphones
They saved my life
Your tape
It lulled me to sleep
To sleep, to sleepI'm fast asleep now
(I'm fast asleep)My headphones
They saved, saved my life
Your tape
It lulled me to sleep
To sleep, to sleep
