

Nothing to Lose

Nick Fradiani

Ooh ooh ooh, ooh ooh
Ooh ooh ooh
Ooh ooh ooh, ooh ooh
Ooh ooh ooh Waking up inside my head
Dreaming 'bout what could've been
Had everything I wanted
Lord tell me where it all went It all went downhill
Out of nowhere, but I'm still right here going nowhere
I'm down to my last one request
Save my life I-I-I-I got nothing to lose but you
I-I-I-I got nothing to lose but you
My heart's out on the table
I'm telling you the truth
I-I-I-I got nothing to lose but you, ooh Wasn't perfect, never been
Left you tons of evidence
Lord knows I been a bad man
Oh, pull me from the badlands It all went downhill
Out of nowhere, but I'm still right here going nowhere
I'm down to my last one request
Save my life I-I-I-I got nothing to lose but you
I-I-I-I got nothing to lose but you
My heart's out on the table
I'm telling you the truth
I-I-I-I got nothing to lose but you Save my life, you call me
Save my life, I'm sorry
Save my life, so baby
Save my life Ooh ooh ooh, ooh ooh
Ooh ooh ooh
Ooh ooh ooh, ooh ooh
Ooh ooh ooh Nothing to lose
I-I-I-I got nothing to lose but you
I-I-I-I got nothing to lose but you
My heart's out on the table
I'm telling you the truth
I-I-I-I got nothing to lose but you Ooh ooh ooh, ooh ooh
Ooh ooh ooh
Ooh ooh ooh, ooh ooh
Ooh ooh ooh
