

# Doctor Alibi (feat. Lemmy Kilminster)

## Slash

I went to see the doctor  
He said you're pretty sick  
You got some real bad habits  
You'd better stop right quick I said doctor that's real bad news  
Don't know what I'm gonna do Doctor  
There's nothin' wrong with me  
Doctor doctor  
Can't you see  
Doctor  
I ain't gonna die  
Just write me an alibi I went to see a shaman  
He said you'll be alright  
Just keep doin' what you love  
Every single night I said that's what I need to hear  
? my childish fears Doctor  
?  
Doctor doctor  
My oh my  
Doctor  
You're the one for me  
That's the mojo that I need Don't you know that I feel alright  
Doin' what I do  
I ain't gonna tow the line  
Not till' I turn blue  
All I got is one short life  
That's what people say  
And I ain't gonna waste a second  
Doin' what you say I won't be the one you like  
I won't be the boy next door  
I won't be the chosen one  
That's not what I'm here for  
I don't like the way you are  
I despise what you hold dear  
Don't you try to make me change  
I'll haunt you for a thousand years Doctor  
Don't you ?  
Doctor  
Don't you ?  
Doctor

Stay away from me  
Sick is what I'd rather be  
Doctor  
Doctor doctor death  
Doctor  
Doctor out of breath  
Doctor  
I ain't gonna die  
Just write me an alibi
