

# Shakedown Street>

## Grateful Dead

You tell me this town ain't got no heart  
(Well, well, well, you can never tell)  
The sunny side of the street is dark  
(Well, well, well, you can never tell) Maybe that's 'cause it's midnight and the dark of the moon besides  
Or maybe the dark is in your eyes, maybe the dark is in your eyes  
Maybe the dark is in your eyes, you know you got such dark eyes Nothin' shakin' on Shakedown street used to  
be the heart of town  
Don't tell me this town ain't got no heart, you just gotta poke around You say you've seen this town clear  
through  
(Well, well, well, you can never tell)  
Nothin' here that could interest you  
(Well, well, well, you can never tell) It's not because you missed out on the thing we had to start  
Maybe you had too much too fast, maybe you had too much too fast  
Maybe you had too much too fast and just overplayed your part Nothin' shakin' on Shakedown street used to be  
the heart of town  
Don't tell me this town ain't got no heart, you just gotta poke around Since I'm passing your way today  
(Well, well, well, you can never tell)  
I just stopped in cause I want to say  
(Well, well, well, you can never tell) I recall your darkness when it crackled like a thundercloud  
Don't tell me this town ain't got no heart  
Don't tell me this town ain't got no heart  
Don't tell me this town ain't got no heart when I can hear it beat out loud Nothin' shakin' on Shakedown street  
used to be the heart of town  
Don't tell me this town ain't got no heart, you just gotta poke around
