Lotus Flower (Sbtrkt Rmx)

Radiohead

I will shape myself into your pocket
Invisible
Do what you want
Do what you want

I will shrink and I will disappear
I will slip into the groove and cut me off
And cut me off

There's an empty space inside my heart
Where the weeds take root
And now I'll set you free
I'll set you free

There's an empty space inside my heart
Where the weeds take root
So now I'll set you free
I'll set you free

Slowly we unfurl
As lotus flowers
'Cause all I want is the moon upon a stick
Just to see what if
Just to see what is
I can't kick your habit
Just to fill your fast ballooning head
Listen to your heart

We will shrink and we'll be quiet as mice
And while the cat is away
Do what we want
Do what we want

There's an empty space inside my heart
Where the weeds take root
So now I'll set you free
I'll set you free

'Cause all I want is the moon upon a stick
Just to see what if

Just to see what is
The bird lights float into my room

Slowly we unfurl
As lotus flowers
'Cause all I want is the moon upon a stick
I dance around the pit
The darkness is beneath
I can't kick your habit
Just to feed your fast ballooning head
Listen to your heart
