

Bend In The Water

Gordon Lightfoot

Come on, Pearl, come on, Kitty
If you feel inclined
Down around the bend in the water
Bring your fishin' line
Come on, Pearl, I'm rough and ready
Got my fishin' pole
Down around the bend in the water
To the fishin' hole
It's a fine July on a beautiful night
With a heavenly sky and moonlight on the bay
Down around the bend in the water
If you feel inclined
Come on, Pearl, come on, Kitty
I'm gonna make you mine
All around the world tonight
What a beautiful scene below
To find a time to stand in line
I'm gonna take my love to go
It's a fine July and a beautiful way
For a boy and a girl to pass the time of day
Come on, Pearl, come on, Kitty
If you feel inclined
Down around the bend in the water
Bring your fishin' line
All around the world tonight
What a beautiful scene below
To find a time to stand in line
I'm gonna take my love to go
It's a fine July on a beautiful light
With a heavenly sky and moonlight on the bay
Down around the bend in the water
If you feel inclined
Come on, Pearl, come on, Kitty
Bring your fishin' line
Come on, Pearl, I'm rough and ready
Got my fishin' pole
Down around the bend in the water
To the fishin' hole
