Sacred

Trik Turner

I'm still awake for you We won't make it together We can't hide the truth I'm giving up for you now My final wish will guide you out Before the ocean breaks apart Underneath me, remember To me you'll be forever sacred I'm dying but I know our love will live Your hand above like a dove, over me Remember, to me you'll be forever sacred You break the ice when you speak With every breath you take you save me I know that one day we'll meet again Try to go on as long as you can Even when the ocean breaks apart Underneath you, remember To me you'll be forever sacred I'm dying but I know our love will live Your hand above like a dove, over me Remember, to me you'll be forever sacred Forever you, forever sacred Forever you, if you will be sacred In your eyes I see the hope, I once knew I'm sinking, I'm sinking away from you Don't turn around, you'll see You can make it, never forget To me you'll be forever sacred I'm dying but I know our love will live Your hand above like a dove, over me And one day the sea will guide you back to me, remember To me you'll be forever sacred To me you'll be forever sacred
