

All In the Game

Melodious Pop

Yeah oh

Yeah oh

Why is my heart so afraid of letting go

And why did I push you away?

It's so simple to see that we were meant to be

But why are three words hard to say?

It's all in the game

It's all in the game of love

It's all in the game, all in the game, oh yeah oh

After all of this time can't get you off of my mind, girl

To you every girl I'd compare

Every night she's trying to satisfy me

But we both know nothing's there

It's all in the game

(Why must I keep playing?)

It's all in the game of love

(Of love)

It's all in the game, all in the game

(I know love is waiting)

Yeah oh

I think it's time I should let you know

I'm going to love you the rest of my life, oh

I can't believe I once let you go

No one's to blame, it's all in the game

Oh oh oh, in the game, baby

It's all in the game

(Why must I keep playing?)

It's all in the game of love

(Why must we play?)

It's all in the game, all in the game

(I know love is waiting, I know, I know, I know)

It's all in the game

(Why must I keep playing?)

(And I wonder why)

It's all in the game of love

(Love)

It's all in the game, all in the game

(I know love is waiting)

(Yeah yeah oh yeah)
