Save The World

David Hasselhoff

(taylor-ann hasselhoff)
Daddy, why do children cry ?
Can't you make it better ?Take a look around the world
See the tears in children's eyes
Make it better and give them all your love.I see no reason for hunger and pain
Be aware we're all the same
Let's come together for a better life - right now.Now it's time to make changes
That millions are hoping for
There's a way if we all lend our hands
To the lost and poor.Save the world - save our lives
Stop the fear in children's eyes
Give your love - heal the need
Save the dreams for you and me.There's a light to guide the way
If you try to save the world
Make a choice help them with lovin' care.Now it's time that we have to do
Something to change the world
Stop pretending and let love lights shine -
For peace on earth.Save the world - save our lives
Stop the fear in children's eyes
Give your love - heal the need
Save the dreams for you and me.Save the world - save our lives
Stop the fear in children's eyes
Give your love - heal the need
Save the dreams for you and me.(taylor-ann hasselhoff)
