

Rhythm of the Room

Divided By Friday

You, you see me staring at you in this crowded room,
And I am thinking that it's time I make my move.
And I just gotta find out how to get you over to my place.
You can't look me in the eye, you only look the other way.
And now I'm whispering in your ear,
"Do you wanna disappear?"

Hey, I really wanna get to know you.
Hey, I really wanna get to love you,
But I keep hearing

Everybody's touching your body.
Everybody's touching your body.
Everybody's touching your body.
Everybody's touching your body.

Oh, and now we're moving to the rhythm of the room.
And ooh, you pull me close and now I know you're leaving soon.
And I just gotta find out how to get you over to my place.
You can't look me in the eye, you only look the other way.
And now I'm whispering in your ear,
"Do you wanna disappear?"

Hey, I really wanna get to know you.
Hey, I really wanna get to love you,
But I keep hearing

Everybody's touching your body.
Everybody's touching your body.
Everybody's touching your body.
Everybody's touching your body.

And I just gotta find out, find out.
And I just gotta find out.

So now I, so now I, so now I, so now I,
So now I, so now I, so now I, so now I,
So now I, so now I, so now I, so now I,
So now I, so now I..

Hey, I really wanna get to know you.
Hey, I really wanna get to love you,
But I keep hearing

Everybody's touching your body.
Everybody's touching your body.
Everybody's touching your body.
Everybody's touching your body.
