

She's Got You

[Rhannon Giddens](#)

She's Got You I've got your picture, that you gave to me
And it's signed with love
Just like it used to be The only thing different, the only thing new I've got your picture, she's got you I've got the
records that we used to share
And they still sound the same
As when you were here
The only thing different the only thing new
I've got the records she's got you I've got your memories, or has it got me
I really don't know
But i know it won't let me be I got your class ring, and it proves you cared
And it looks the same, the very same as when you gave it dear The only thing different, the only thing new I've
got these little things, she's got you I've got your memories, or has it got me
I really don't know
But i know it won't let me be I've got your picture, that you gave to me
And it's signed with love
Just like it used to be The only thing different, the only thing new I've got these little things, she's got you I've
got these little things, she's got you
