

Ton of Joy

Otis Redding

My baby nothing but a ton of joy, children
Yes, she is the one ton of joy
My baby nothing but a ton of joy
Love, love, love, love, love, lovely, lovely ton of joy The way she love me makes me know I'm a man
What she do for me you don't understand, children
Baby, you're a ton of joy, lovely, lovely, lovely ton of joy She's got what all men are trying to find
Drives a strong man practically out of his mind, children
She gives a blind man eyes to see, y'all
She knocks a preacher man straight on his knees, y'all Baby, baby, you're a ton of joy, yes you
Girl, I love, I love your ton of joy, children
The way you love me makes me wanna learn
You sets me on fire but I'm willing to burn, children
Baby, you're a ton of joy, a lovely, lovely, lovely ton of joy The way she love me makes me wanna learn
Sets me on fire but I'm willing to burn, children
Girl, you're just a ton of joy, a lovely, lovely, lovely ton of joy
Watch it You love girl, I love you, baby
No matter what you do, girl, I'm gonna keep loving you
No matter what you say, you're one hundred tons of
One hundred ton of joy, baby
You don't weigh but a hundred, but I just love you
You don't weigh but a hundred, I love the way you look at me
