Nobody Likes Me

Alice Cooper

Nobody likes me
It's all my fault
Nobody likes me
Nobody likes meOh, yes we all like you
We like you a lot
Yes we all like you
Yes we all like youI never get a letter
We have no time
Never ever get a call from you
We have no dimeOh, yes you do
Oh, no we don't
Oh, yes you do
Oh, no we don'tYes you do
No we don't
Yes you do
No we don'tYes, no
Yes, no
Yes, no
YesYes, no
Yes, no
Yes, no
Yes, noNever call, never write
Yes we do always try
Make me cry all the night
Sorry we made you cryMake me mad, make me sad
Tell me true, what can I do?
Way too late can't make up
All the hate has built upAlright we all hate you
We hate you a lot
We hate all your family
We hate your dog SpotEven Spot?
Yes
