

Princess Things

The Cast of Sofia the First

There are many things that princesses do,
Like hosting balls and dancing too!
Or wearing gowns of pink and blue,
That's what we like to do. There are many things that princes like,
Jousting, polo and taking hikes!
Suits of armour with lots of spikes,
That's what we really like. We do princess things,
We do princely things.
And no-one crosses in between,
We stick with our routine. We climb trees and jump and swing,
While we shop for royal bling.
So don't make a fuss, just stick with us,
And do our princess things. But who knows what i could bring
Flying high upon a wing
I believe that anything
can be a princess thing....
