Play

Katharina Nuttall

So I'mma keep it going
Don't stop the music
DJ just keep it moving
Eh, eh, eh, eh, eh
PLAY
Don't stop the music
DJ just keep it moving
If you ain't from the play
Get up out of my way
Get up out of my way
Ge-Get up out of my way
Cause I'm about to mosh
Do it just like a boss
Do it just like a boss
Do-do it just like a boss

And I just wanna heat the club
And drop it to the floor
And when they think I've had enough
Then i'mma give them more
We rock through the night,
And then we rock it through the day
The only bar and we know
How to press this play
I wanna show it
So i'mma keep it going
Don't stop the music
DJ just keep it moving
Eh, eh, eh, eh, eh
PLAY
Don't stop the music
DJ just keep it moving
