

You

See, I was lookin' for a love to call mine
But instead I found you
And it was just a true waste of my time
And lovin' we mess up but how come with you? See, I was lookin' for a love to call mine
But instead I found you
And it was just a true waste of my time
And lovin' we mess up but how come with you? Sometimes I flip and ask myself why it had to be you
But then I get a grip, it was all a lie
And love was so precious until I met you I don't know why I saw a price in you, you
Every night I close my eyes, oh it's alright
I lose my sight of you Someone is bound to come along and do time
And do better than you
And I won't be left alone, he'll love me for life
And surely not careless, selfish like you How the strength in me has grown
And I realize I don't need you
Disrespect you've shown, you can run and hide
But all of what happened will come back to you I don't know why I saw a price in you, you
Every night I close my eyes, oh it's alright
I lose my sight of you Oh, I'm movin' on, yeah yeah
Makin' a new start, yeah
I've lived my life and surely it won't be with you I don't know why I saw a price in you, you
Every night I close my eyes, oh it's alright
I lose my sight of you I don't know why
It's not about you no more
