

Move Over

Cinderella

You say that it's over baby
You say that it's over now
And still you hang around
Now come on
Won't you move over You know that I need a woman
You know that I need a woman
But when I ask you to
You just tell me
That maybe you can Please don't ya do it to me babe
No
Please don't ya do it to me
Either take the love I offer
Honey let me be I ain't quite ready for walking
No, no, no
Ain't quite ready for walking
And what will you do with your love
Love just dangle a little more Oh
Make up your mind
You're playin' the fool
Make up your mind
You're playin' the fool
Now either be my lovin' heart
Or honey let me be
Let me be, let me be
Oww Let me be You say that it's over baby
You say that it's over now
And still you hang around
Now come on
Won't you move over You know that I need a woman
You know that I need a woman
But when I ask you to
You just tell me
That maybe you can Please don't ya do it to me babe
No
Please don't ya do it to me
Either take the love I offer
Honey, let me be I said won't you, won't you let me be
Honey, you're teasin' me
Ya think you're playin' with my heart, dear

I believe you're toyin' with my affections, honey
I can't take no more
And furthermore, I don't intend to
You got my heart dangling from a string, babe
You expect me to fight like I'm a goddamn mule
