Blackout

Fytch

Check, Check
1, 2
It's cold when I walk through the marshes at nightfall
Silence, my rifle
??
Speach is my rifle
There's god and the fragile, the feeble I ??
Sheep in my gallows
Crawl as I gallop
Graves deep not shallow
When I step through you best know
I'm the prophet of morrow
Give coins, I flip them like destiny follow
------Awesome Dubstep------
Sheep in my gallows
Crawl as I gallop
Graves deep not shallow
When I step through you best know
I'm the prophet of morrow
Give coins, I flip them like destiny follow
