

# Blackout

Fytch

Check, Check

1, 2

It's cold when I walk through the marshes at nightfall

Silence, my rifle

??

Speech is my rifle

There's god and the fragile, the feeble I ??

Sheep in my gallows

Crawl as I gallop

Graves deep not shallow

When I step through you best know

I'm the prophet of morrow

Give coins, I flip them like destiny follow

-----Awesome Dubstep-----

Sheep in my gallows

Crawl as I gallop

Graves deep not shallow

When I step through you best know

I'm the prophet of morrow

Give coins, I flip them like destiny follow
