

We Survive

Medina

ohhh oh oh oh oh
ohhh oh oh oh oh oohhhHe's a good heartbreaker
And he slipped under your skin
He's a first class taker
But you're sick of giving in
So you play your music
And you sing along with all the words
Till they make sense
to you can breathe again and you askWhy have I lost this?
Why left you have a
Lie, but we survive
We survive
So tell me why?
'Cause I need you
Why? Are we saying goodbye?
Why, and we'll survive
We'll surviveohhh oh oh oh oh
ohhh oh oh oh oh oohhhAnd it gets better,
every day you're waking up
Just a little bit stronger
Just a little more I'm stunned
So you change your number
And you put your lipstick on
Go on pretend there's no regrets
So you can start again and you askWhy have I lost this?
Why left you have a
Lie, but we survive
We survive
So tell me why?
'Cause I need you
Why? Are we saying goodbye?
Why, and we'll survive
We'll surviveohhh oh oh oh oh
ohhh oh oh oh oh oohhhYou can let it go now
Everything that's coming undone
You can hold your head high
You can turn the lights back onSo tell me
Why have I lost this?
Why left you have a

Lie, but we survive
We survive
So tell me why?
'Cause I need you
Why? Are we saying goodbye?
Why, and we'll survive
We'll survive
I, I, will survive (ohhh)
I, I, will survive (ohhh)
I, I, will survive (ohhh)
I, I, will survive (ohhh)
