Deftones

When you're ripe
You'll bleed out of control
You'll bleed out of control
When you're ripe
You'll bleed out of control
You'll bleed out of control
When you're ripe
You'll bleed out of control
You'll bleed out of control
When you're ripe
You'll bleed out of control
You'll bleed out of control
You'll bleed out of controlYou like attention
It proves to you you're alive
Stop, parading your angles
Confused? You'll know when you're ripeWhen you're ripe
You'll bleed out of control
You'll bleed out of control
When you're ripe
You'll bleed out of control
You'll bleed out of controlYou're pregnant
With all this space
Thick with honey
But I've lost my tasteYou're into depression
'Cause it matches your eyes
Stop, the faux to be famous
Confused? you know when you're ripeWhen you're ripe
You'll bleed out of control
You'll bleed out of control
When you're ripe
You'll bleed out of control
You'll bleed out of control
When you're ripe
You'll bleed out of control
You'll bleed out of control
When you're ripe
You'll bleed out of control
You'll bleed out of control
You'll bleed out of controlYou're pregnant
With all this space
Thick with Honey

But I've lost my tasteWhen you're ripe

 You'll bleed out of control

 You'll bleed out of control

 When you're ripe

 You'll bleed out of control

 You'll bleed out of control

 When you're ripe

 You'll bleed out of control

 You'll bleed out of control

 When you're ripe

 You'll bleed out of control

 You'll bleed out of controlYou're pregnant

 With all this space

 Thick with Honey

But I've lost my tasteYou'll bleed out of control

 You'll bleed out of control

 When you're ripe

 You'll bleed out of control

 You'll bleed out of control

 When you're ripe

 You'll bleed out of control

 You'll bleed out of control

 When you're ripe

 You'll bleed out of control

 You'll bleed out of control

 When you're ripe

 You'll bleed out of control

 You'll bleed out of control
