

Stinging

Radio Moscow

Won't you say
It's no longer
Such a shame to feel this way
Giving up, the spinning world around me
I don't know just what to say
About these people and the things I've seen
Such a shame to feel this way
Tell your friends from, in my way
Getting used along the way
Below the surface, what eyes can't see
Say what you say
It's no longer stinging
Such a shame to feel this way
Giving up, the spinning world around me
I don't know just what to say
About these people and the things I've seen
Say what you say
It's no longer stinging
