The Letdown

The White Tie Affair

So, I was thinking about what I'd write to you
It's been three days since I heard your voice
And I ain't been right without you
A one night stand and a photograph made it's way to you
I took a chance, paid the consequence
This is why I'm writing to you
What is the big surprise?
Is it too late to try?
Go ahead and cry
It was just one little lie
I hope that you don't mind
I'll make it up this time
Is it too late to try?
It was just one lie
Baby, I think I owe you one
Every time I come around you're ready for the letdown
Here I sit alone, it was my fault
I know if I was you, I wouldn't take me back
Just let me down slowly, please
It's not hard for me to say the things that you do
You bring out the best in me, when it's not the best for you
It's been a long time since I didn't know what to do, where to go
Could we forget yesterday, start over again?
What is the big surprise?
Is it too late to try?
Go ahead and cry
It was just one lie
Baby, I think I owe you one

Every time I come around you're ready for the letdown
Here I sit alone, it was my fault
I know if I was you, I wouldn't take me back
Just let me down
Baby, I think I owe you one
Every time I come around you're ready for the letdown
Here I sit alone, it was my fault
I know if I was you, I wouldn't take me back
Just let me down slowly, please
You need to believe it when I say

That I am so, so, so sorry for the things I put you through
Never meant to take the trust from you [X3]
You need to believe it when I say
That I am so, so, so sorry for the things I put you through
Never meant to take the trust
Baby, I think I owe you one
Every time I come around you're ready for the letdown
Here I sit alone, it was my fault
I know if I was you, I wouldn't take me back
Just let me down
Baby, I think I owe you one
Every time I come around you're ready for the letdown
Here I sit alone, it was my fault
I know if I was you, I wouldn't take me back
Just let me down slowly, please
Baby, baby, I know I owe you one
Baby, baby, I let you down
I let you down, I let you down, I let you down
So please, let me down slowly, please
