

# Outta My Head

## I Hate Kate

Attraction  
Traction  
More than your reaction  
Action to the touch  
Imagine, magine you've given up so much  
I keep making all the same resolutions  
Remaining nameless for the sake of confusion  
The future's got me worried about postulation  
Get you out of my head, my head, out of my head  
There's no word that don't get said that confuse me  
Every good intention left to abuse me  
Set the world on fire waking up screaming  
Get you outta my head, my head, outta my head  
Outta my head  
Outta my head  
Outta my head

Attraction  
Traction  
More than your reaction  
Action to the touch  
Imagine, magine you've given up so much  
To get you outta my head  
I keep making all the same resolution  
Remaining nameless for the sake of confusion  
The future's got me worried about postulation  
Get you outtamy head, my head, outta my head  
There's no word that don't get said that confuse me  
Every good intention left to abuse me  
I'll set the world on fire waking up screaming  
Get you outta my head, my head, outta my head  
Outta my head  
Outta my head  
Outta my head  
Attraction

Traction  
More than your reaction  
Action to the touch  
Imagine, magine you've given up so much

To get you outta my head  
Attraction  
Traction  
More than your reaction  
Action to the touch  
Imagine, imagine you've given up so much  
To get you outta my head  
Never know till you try  
I'll sit right here until I die  
Until I die  
Outta my head  
Outta my head  
Outta my head  
Attraction  
Traction  
More than your reaction  
Action to the touch  
Imagine, imagine you've given up so much  
Attraction  
Traction  
More than your reaction  
Action to the touch  
Imagine, imagine you've given up so much  
To get you outta my head  
Attraction  
Traction  
More than your reaction  
Action to the touch  
Imagine, imagine you've given up so much  
To get you outta my head  
To get you outta my head
