

As Time Goes By

[Kenny Rogers](#)

You must remember this
A kiss is still a kiss
A sigh is just a sigh
The fundamental things applyAs time goes by
And when two lover's woe
They still say I love you
And that you can relyNo matter what the future
Brings, as time go by
Moonlight and love songs
Never out of dateHearts full of passion
Jealousy and hate
Woman meets man
And man must have his mateThat no one can deny[Chorus]
It's still the same old story
A fight for love and glory
A case of do or die
The world will always welcome lovers
As time goes by
