

# Gossip

## Marty Robbins

Don't listen to gossip whatever you do  
It's usually lies that you'll hear  
What they say about me they say about you  
So kiss me and dry up your tears  
And don't you believe what they say about me  
They're tryin' to keep us apart  
The vows that were spoken weren't meant to be broken  
Don't turn me away from your heart  
It's cheap and it's worthless, so cold and so cruel  
It's gossip that I'm speakin' of  
So often it starts on the lips of a fool

And ends in the ashes of love  
So don't you believe what they say about me  
They're tryin' to keep us apart  
The vows that were spoken weren't meant to be broken  
Don't turn me away from your heart
