

Perfect

Brian Courtney Wilson

You are the potter and I am the clay
You found me broken and still found a way
To mold me back into what I'm supposed to be
Other people walked away but you stayed because you see
I'm not perfect but I.. I'm perfect for you
You love be despite of all I have gone through
You gave your life so that one day I will see
I'm not perfect but I'm perfect with you...you ...you
Perfect with you
You answer prayers I forgot I had prayed
You kept the dreams that I had thrown away
When I missed the mark lord you still met the need
Other people walked away but you stayed because you see
I'm not perfect but I'm perfect for you
You love me despite all that I have gone through
You gave your life so that one day you will see
You wrapped me in your arms
You treat me like you own
I'm never left alone
You're watching over me
Its making me believe
In what you see
I'm not perfect but I'm
I'm perfect for you
You love me despite of all I have gone through
You gave your life so one day I' will see
I'm not perfect but I'm perfect with you x2
I'm perfect with you.
