

# Love Will Tear Us Apart

## Philistine

When routine bites hard  
and ambitions are low  
And resentment rides high  
but emotions won't grow  
And we're changing our ways,  
taking different roadsLove, love will tear us apart again  
And love, love will tear us apart again  
Love, love will tear us apart again  
Love, love will tear us apart againWhy is this bedroom so cold  
Turned away on your side?  
Is my timing that flawed,  
our respect run so dry?  
Yet there's still this appeal  
That we've kept through our livesLove, love will tear us apart again  
Love, love will tear us apart again  
And love, love will tear us apart again  
Love, love will tear us apart againDo you cry out in your sleep  
All my feelings expose?  
Get a taste in my mouth  
As desperation takes hold  
Is it something so good  
Just can't function no more?When love, love will tear us apart again  
Love, love will tear us apart again  
And love, love will tear us apart again  
Love, love will tear us apart againLove, love will tear us apart again  
Love, love will tear us apart again
