

Leave a Message

Matt Cab

Oh
Na na na na na
Oh
Why don't you call me anymore
I thought we had something special, girl
But now you don't pick up your phone
Leave you a message after the tone
After the tone [x4]
No no no no
OhOperator, can you help me?
Looking for the lady with pretty brown eyes
Operator, won't you tell me?
Where is my baby?
Why did she lie
'Cause over and over and over in my head
I'm just replaying the first time we met
And I can't stop the tears from falling
'Cause you don't pick up when I'm callingWhy don't you call me anymore
I thought we had something special, girl
But now you don't pick up your phone
Leave you a message after the tone
After the tone [x4]
No no no no
OhDon't know the words to say
To bring you back to me
Was it just a silly game?
That you like to play
And over and over and over again in my head
I'm just replaying the last words she said
To hear your voice is all I'm asking
But you don't pick up when I'm callingWhy don't you call me anymore
I thought we had something special, girl
But now you don't pick up your phone
Leave you a message after the tone
Tone [x4]Why don't you call me anymore
I thought we had something special, girl
But now you don't pick up your phone
Leave you a message after the tone
Oh oh oh

After the tone

Oh oh oh

After the tone
