Cut Your Hair

Pavement

Darlin' don't you go and cut your hair
Do you think it's gonna make him change?
"i'm just a boy with a new haircut"
And that's a pretty nice haircut
Charge it like a puzzle, hit me wearin' muzzles
Hesitate to die, look around, around, the second drummer's drowned
His telephone is foundMusic scene is crazy, bands start up each and every day
I saw another one just the other day
A special new band
I remember lying
I don't remember a line
I don't remember a word
But I don't care, I care, I really don't care
Did you see the drummer's hair?Advertising looks and chops a must
No big hair!!
Songs mean a lot
When songs are bought
And so are you-
Bitch, rant down to the practice room
Attention and fame so
Career, career, career....
