

# Cut Your Hair

## Pavement

Darlin' don't you go and cut your hair  
Do you think it's gonna make him change?  
"i'm just a boy with a new haircut"  
And that's a pretty nice haircut  
Charge it like a puzzle, hit me wearin' muzzles  
Hesitate to die, look around, around, the second drummer's drowned  
His telephone is found Music scene is crazy, bands start up each and every day  
I saw another one just the other day  
A special new band  
I remember lying  
I don't remember a line  
I don't remember a word  
But I don't care, I care, I really don't care  
Did you see the drummer's hair? Advertising looks and chops a must  
No big hair!!  
Songs mean a lot  
When songs are bought  
And so are you-  
Bitch, rant down to the practice room  
Attention and fame so  
Career, career, career....
