I say every day try to make you all peacefully
So right with the ride for other in the Bible
Call my niggas on Paris I will climb at the Eifel

When you feel like you was tighter to

Cuz I'm better then another .when I'm rocking the provider

So I core never stud it
Stay school, play cool and play the rules
Pay your dues, make your moves, take it too one
Got some rest, take a clue it was me that was three point
Try to get forty
Round with the forty inch in the the two door
Feel like lorries, take in the front
What the forties taken from the move
