Sold Me

Seether

Advisory - the following lyrics contain explicit language:

Here I stand before myself
I see somethings out of place
You tasted all my purity
Now there's nothing left to wasteThe feeling gets so in my way
It's getting lost in my delivery
The feeling gets so in my way
I'm getting lost in your peripheryAnd you sold me up the river again
(I don't want to be alone again)
And you made me start it over again
(I don't want to be alone again)
And you moved me, and you soothed me, and you fought me
(I don't want to be alone again)
And you left me wondering what the hell
What is wrong with me?I never felt like I had felt
Until the day you came undone
I never felt like I was lost
Until the day you killed me againThe feeling gets so in my way
It's getting lost in my delivery
The feeling gets so in my way
I'm getting lost in your peripheryAnd you sold me up the river again
(I don't want to be alone again)
And you made me start it over again
(I don't want to be alone again)
And you moved me, and you soothed me, and you fought me
(I don't want to be alone again)
And you left me wondering what the hell
What is wrong with me?Are you stronger
For cutting me open
Are you stronger
For leaving me brokenAnd you sold me up the river again
(I don't want to be alone again)
And you made me start it over again

(I don't want to be alone again)
And you moved me, and you soothed me, and you fought me
(I don't want to be alone again)
And you left me wondering what the hell
What is wrong with me?
